

Personality Plus Workshop

Presented by Leanne Synan

(Based on the best selling book, Personality Plus by *Florence Littauer*)

"How to understand others by understanding yourself. The key to getting along with others, is knowing how to connect with them, in their "language" "*Florence Littauer*

Which one of these statements do you relate to the most?

- ❖ *I like my space to be neat, tidy and well organised.*
- ❖ *It is difficult for me to express excitement, even about things that are important to me.*
- ❖ *When shopping at a centre, it's not unusual for me to forget where I parked my car!*
- ❖ *I get annoyed when people don't follow my instructions my way!*

Find out in a fun, informative environment how you can best understand yourself and in turn gain practical tools that you can put into practice immediately. Imagine being able to create more effective communication at home, with friends and even at work!
